Our Story...

SINCE 1971,

Guilford Center for Children
has been a part of generations
of childhood.

For over five decades, GCC has provided a nurturing, safe, and developmentally appropriate environment where children learn, grow, and thrive.

What began as a small community effort to assist working families has grown into a well-known and trusted youth serving organization serving more than 500 children each year across programs.

From first friendships to lifelong memories, GCC has been a constant in the lives of children, families, and our community for 55 years.

*Our story is
Guilford's story.*
